Clarifications of terminology

Personalized avatar

Send a photo of you via [WeTransfer](#) or similar site to info@internationalcharterexpo.com and we will make your **virtual lookalike**. Your avatar will be standing **in front of your booth** making the booth more personalized. It is possible to have only one personalized avatar per booth.

Graphics upload

Make your participation at ICE noticeable and recognizable. **Apply your branding** by sending us graphics for your booth. As soon as you choose "Graphics upload" in your MyICE account, ICE Sales Representative will contact you with the detailed instructions (image size and format). We recommend that you send graphics to info@internationalcharterexpo.com via [WeTransfer](#).

Video production

You want to show your promotional video at ICE but **you do not have an inhouse video editor**? We will make it easier for you! If you choose "Video production" in your MyICE account, our video editor will make you **30 sec. promotional video** with the **raw materials that you provide**. We recommend that you send video materials to info@internationalcharterexpo.com via [WeTransfer](#).

Screen Share

You want to show your partners something very important during your 30-minute meetings? Order this option under representatives in 'MyICE' and make your meetings more productive and professional.

Downloadable PDF

Send us the brochure(s) with your products or services, or any other promo materials that you want to show at ICE. Convert it to PDF and send the file via [WeTransfer](#) or a similar site to info@internationalcharterexpo.com. We will upload it to your digital booth and make it visible to everyone.

Handshake account

The Business matchmaking software for **pre-arranging meetings at ICE**.

Handshake accounts will activate in April. The possibility to arrange meetings via Handshake will end on the 25th of April. When ICE starts you will be able to see the **agenda** with all the meetings that you have arranged.

As ICE Visitor (Broker), Handshake account will allow you to visit digital booths and have **meetings in digital meeting rooms** only with Fleet Operators and Suppliers.

As ICE Exhibitor (Fleet Operators and Suppliers) you will be able to have meetings with both Exhibitors and Visitors. If you invite an Exhibitor for a meeting, the meeting will be held in your meeting room (at your booth).
