

International Charter Expo

Privacy Policy

We at International Charter Expo (ICE) understand that doing **B2B negotiations online involves a great deal of trust** on your part. **We take this trust very seriously** and make it a high priority to ensure the security and confidentiality of the information you provide to us.

Within the EU/EEA, the General Data Protection Regulation (GDPR) applies from May 2018. In accordance with applicable data protection legislation, Jadranski skiperi d.o.o./International Charter Expo ("Website"), or the company otherwise specified as data controller, is responsible for the processing of your personal data as set out below.

If you have any questions about this information, or if you wish to exercise any of your rights as set out below, please contact ICE team via the contact form on the ICE website or by email to info@internationalcharterexpo.com.

What information we collect

We receive and store any information you enter on ICE website or give us in any other way. This includes information that can identify you ("personal information") directly or through use of cookies that are requested for certain services (see: Cookie Policy).

ICE website is using contact information for populating database through registration via MyICE portal (<https://registration.internationalcharterexpo.com>) with prior consent from the users. We record all activities on the Website such as inquiries from customers and pricing of suppliers. While the customer activities are being used for general statistical and market analysis, all supplier activities are covered by a non-disclosure agreement which is part of any ICE contract.

If you don't want to be a part of this service, you can request deletion of your account anytime by submitting 'DELETE' request from your registered email account to info@internationalcharterexpo.com. ICE obliges to confirm deletion of your account within 30 days of the received request.

Who has access to supplier-related information

Only the CEO of ICE / Yachtmaster Group (Jadranski skiperi d.o.o.) and a designated project manager can access full website visitor information during communication with customers. Additionally, three executives from the software developer Calyx d.o.o. can also access this information, all covered under the non-disclosure agreement. This is not optional and all users of ICE are submitted to these rules for the purpose of the Website development, maintenance and customer support.

Display of advertising

The ICE website may display advertising served by us or by our service providers. We also allow third parties to collect information about your online activities through cookies and other technologies. The information gathered by these third parties is used to analyze and make predictions about your characteristics, interests or preferences and to display advertisements on our sites and across the Internet tailored to your apparent interests. We do not permit these third parties to collect personal information about you (such as email address) on our site, nor do we share with them any personal information about you.

Please note that we do not have access to or control over cookies or other technologies these third parties may use to collect information about your interests, and the information practices of these third parties are not covered by this Privacy Policy.

External links and social plug-ins if any part of the ICE website links you to other websites, those websites do not operate under this Privacy Policy. We recommend you examine the privacy statements posted on those other websites to understand their procedures for collecting, using, and disclosing personal information.

Changes to this Privacy Policy

We may update this Privacy Policy in the future. We will notify you about material changes to this Privacy Policy by sending a notice to the email address you provided to us or by placing a prominent notice on ICE website. This Privacy Policy comes into force on 25 May 2018.
